## SCHOOL COUNCIL PRESIDENT'S REPORT

### School Council Elections

I would like to take this opportunity to invite and encourage you to become involved in the College's School Council.

School Council has an important governance role to play in setting the long term future of the College and maintaining oversight of the operation of the College.

This includes:

- Principal Selection
- Developing the College's Strategic Plan
- Approving the annual budget and monitoring budgetary performance
- Developing/reviewing College policies
- Fundraising and excursions
- Generally promoting the College within the community

School Council is made up of a mix of people including the Principal, DET staff, parents and community representatives.

Councillors come from a variety of backgrounds and bring a range of skills and interests to School Council, all council members have a shared vision of the success of the College and the wellbeing and educational outcomes for our students.

School Council meets eight times per year – twice each school term, after business hours – so the time commitment is manageable in our busy lives.

I strongly encourage any parent or community member who has an interest to take part in the College's School Council to contact the College. Your interest will be very welcome.

School Council President
