

2022 Parent Payment Arrangements - Years VCE/VCAL

Dear Parent/Guardian,

Bairnsdale Secondary College is looking forward to another great year of teaching and learning and would like to advise you of Bairnsdale Secondary College's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. Therefore, we want to thank you for all your assistance in providing for the educational needs of your student. This has made a huge difference to our school and the programs we can offer.

Within our school your contributions allow us to offer our students a broader range of subjects and special curriculum experiences; enhanced digital learning opportunities; the upgrade of our facilities, faster WIFI and internet and enhancement of our student wellbeing and student support teams that help, care for and encourage both our students and families.

For further information on the Department's Parent Payments Policy please see the one-page overview attached.

Yours sincerely,

Trudie Nagle
Executive Principal

David Radford
School Council President
